Richardson Eyres // What we do

//Assessment Services

- Consolidation Assessment
- Storage Assessment
- Environmental Assessment
- Virtualisation Assessment
- SAN Health Check
- Vmware Health Check
- Virtual Server Capacity Planning
- Proof of Concept

//Consultancy

- Backup & Restore
- Business Continuity
- Capacity Planning & Financial Modelling
- Information LifeCycle Management
- Quality Assurance Documentation
- Remote Consultancy Services
- Design Workshops
- Data Retention
- Infrastructure Consolidation
- Infrastructure Virtualisation
- Data Replication
- Data Centre Relocation

//Implementation Services

- Project Management (PRINCE2)
- Engineering Build Centre to test prior to installation
- Configuration Documentation
- Hand Over Training
- Pre-Installation Workshops
- Dedicated Technical Project Owner
- Vmware JumpStart Services
- System Implementation
- Physical to Virtual (P2V) Migration
- Blade Server Provisioning
- Rapid Server Deployment
- Preventative Maintenance
- Data Migration
- Pre-delivery Engineering Build
- Asset Disposal

//Training Services

- Bespoke Solution Training
- Technology Overview Training
- Post-Installation Training
- Solution Optimisation Technical Training
- Product Demonstrations

//HP Services

- HP Blade Technology and Toolset Assessment
- HP Health Check Analysis for VMware Virtual Servers
- HP Virtualisation Readiness Assessment/ Capacity Planner Assessment (CPA)
- HP-UX Performance Consulting
- HP Cluster Consistency Service
- HP Serviceguard Implementation Service for Linux®
- HP Installation and Startup Service for Virtual Server Environment Software
- System Health Check (Direct)
- System Health Check (Onsite)
- System Health Check (Remote)
- EVA Firmware Update Service
- HP Assessment Services for SANs
- HP EVA and XP Performance Assessment
- HP Thermal Quick Assessment Service
- HP Comprehensive Thermal Assessment Services
- HP Energy Efficiency Analysis Service
- HP Basic Capacity Survey Service
- HP Infrastructure Condition and Capacity Analysis Service
- HP ITSM Quick Assessment
- HP ITSM Intermediate Assessment
- HP Relocation Services
